P.O. Box 800  
Trenton, NJ 08625

Dear Sir:

The New Jersey Plumbing Inspectors Association at it's regularly scheduled meeting on September 20, 2017 unanimously approved the following resolution.

Whereas the Department of Community Affairs, Division of Codes and Standards has proposed significant changes to minor work regulations of the Uniform Construction Code.

And Whereas, we the members of our association, express deep concerns regarding the changes.

And Whereas we feel the safety of the public will be compromised, without the proper inspections.

And Whereas we feel a public hearing is necessary to get everyone's feedback regarding the changes to all disciplines.

And Whereas we feel we need to look at other options to correct delay's in inspections.

Ronald Barbarulo  
President, NJ Plumbing Inspectors Assc.
